POINTS ABOUT BUGGIES TO BE CONSIDERED!

**The Style!
The Quality!
The Price!**

The large assortment that we carry, together with the HIGH QUALITY of same and our VERY LOW PRICES, are responsible for our rapidly growing business. A large number of people are showing their appreciation of these points by trading with us, and are thereby increasing our business very materially, as well as

Saving Themselves Money.

This last point is what touches a tender spot with most of us, but we want to say that IN NO INSTANCE DO WE SACRIFICE QUALITY FOR PRICE.

We Sell the Best Buggy Made,

No exception, and while it may cost more than some others, it is not way up in price.

DEADLY FRACAS.

Colored Festival Near Pembroke Ends With Rough House.

Two Negroes Mortally Wounded and a Third Shot in the Mouth.

One of those deadly devices for thinning out the colored population, known as a "festibal," was held at Frank Massie's house on the R. F. Chilton farm, near Pembroke, Saturday night and the festivities resulted in the wounding of three negro men, at least two of whom will die. A row came up in which the Ware brothers, four young negroes, sons of Harvey Ware, became disorderly and Frank Massie, the owner of the house, was asked to restore order. The Wares resented his efforts as peacemaker and a general fight followed, in which many shots were fired. Massie had no pistol, but he was one of the first to fall, with a bullet hole in his chest, just below the neck. The ball went through his body and lodged in the right shoulder.

A young negro named Tandy, a son of Tom Tandy, was shot four times. He was hit in the thigh, arm, hand and finally in the bowels. The last shot is necessarily fatal, though Tandy was alive yesterday morning. Another negro named Williams was shot in the mouth, the ball coming out behind the ear. He will recover. It is not known who did the shooting, though it is credited to the Ware boys. No arrests have been made.

FINAL SETTLEMENT.

Col. Baxter Signs Agreement To Bring T. C. Here.

A Delegation Waited Upon Him Saturday With Complete Success.

A delegation of business men went to Nashville Saturday and waited upon Col. Baxter, President of the Tennessee Central railroad, and definitely settled with him the question of coming to Hopkinsville. In the party were Messrs. M. C. Forbes and Jas. Breathitt, of the special committee to draft a contract; secretary H. H. Abernathy of the commercial club; Mayor Jouett Henry and councilmen J. B. Jackson and J. B. Gaibreath, Geo. C. Long, of the First National Bank, Frank Trice of the Planter's Bank, Judge Cansler, Messrs J. H. Eggleton and Chas. M. Meacham.

The delegation met Col. Baxter by appointment at two o'clock and several members made brief talks and Judge Breathitt, acting for the committee, delivered to Col. Baxter the subscription of \$10,027, the amount asked by his road of the people of Hopkinsville. He also presented an agreement asking that a physical connection be made with the L. & N. in or near Hopkinsville and that some definite date be fixed in the agreement for completion of the road. Col. Baxter read over the agreement and signed it unhesitatingly and accepted the subscription papers. He said he expected to reach Hopkinsville in a year but would fix two years as the limit. He made a straightforward talk to the visitors, thanking them for their prompt action and assuring them that the road would certainly enter Hopkinsville about as the line had been surveyed. He said that he had been offered the Gracey road but had declined it and preferred to build his own road new by the nearer line. He said he had the money to build the road and would put it through as soon as possible. He was now working 1500 hands and spending \$250,000 a month, and expected to double his force during the fall. The road would be built from both ends at once and he expected to begin at the Hopkinsville end without delay. He said his road was an independent line and would remain such.

The delegation returned home filled with enthusiasm over the final settlement of the question and the authoritative removal of all doubts about the new road.

VOTING CONTEST

The Most Popular Lady In Christian County to Be Determined By Ballot.

Beginning Friday, August 29th, a voting contest will be held to determine by popular vote the most popular lady in Christian County. To the lady receiving the highest number of votes, we will present a prize not yet determined upon finally, but which will be worth not less than \$100. The contest will close at 12 o'clock, noon, Monday, Dec. 29, 1902. The plan will be as follows:

Every subscriber to the Kentuckian who pays back dues or cash in advance will be entitled to cast one vote for each five cents paid. That is to say, a subscriber who pays \$2.00 will have 40 votes, one who pays \$1.00 will have 20 votes and so on for any amount large or small. In every paper published after August 29th there will be a coupon and these coupons when cut out and brought or sent to the office will represent each one vote.

A new subscriber who pays \$2.00 August 29th and saves his coupons from the 35 papers before December 29th will have in all 75 votes to cast for his choice. He will also have the privilege of gathering up coupons clipped by his friends from their papers and voting them one at a time, or by the hundred if he prefers. He will also have the privilege of buying papers at the office at five cents each and voting the coupons cut from them, as every paper after August 29th will contain a coupon.

Full details of the prize to be awarded will be given in an early issue. In the meantime the contest may begin with the guaranteed assurance from us that the prize will be worth \$100 or more.

The coupon ballots will be deposited in a ballot box with two keys. One of these keys will be held by County Judge W. T. Fowler and the other by Mayor Jouett Henry. The box will be opened not oftener than once a week, all ballots then in it taken out, counted and certified to, sealed up in an envelope and replaced in the ballot box. The envelope will contain a statement of the votes in it, so that its contents will not need to be counted again until the official count at the close of the contest.

The last week of the contest the ballots may be deposited without showing them, so that the close of the contest may be secret and exciting to the end.

Further explanations will be given from time to time. The voting will begin at 7 o'clock a. m. next Friday. Who will start the ball to rolling?
